Dear Mr. Kempton:

SUBJECT: Shasta County Regional Transportation Planning Agency's 2004 Federal Transportation Improvement Program Amendment No. 3

The Federal Highway Administration has completed its review of the Shasta County Regional Transportation Planning Agency's (RTPA) 2004 Federal Transportation Improvement Program (FTIP) Amendment No. 3 submitted by your letter dated April 28, 2005. The amendment includes modifications to the local element of the FTIP for projects from the following funding programs: Hazard Elimination Safety (HES) and Highway Bridge Replacement and Rehabilitation (HBRR).

Pursuant to the July 15, 2004, *Memorandum of Understanding between the Federal Highway Administration, California Division, and the Federal Transit Administration, Region IX*, we approve this amendment in accordance with 23 CFR 450. We also find that the amendment was developed based on a continuing, cooperative, comprehensive transportation planning process in accordance with 23 USC 134 and Section 5303 of the Federal Transit Act (49 USC 53).

This letter also constitutes approval and inclusion of Shasta County RTPA's 2004 FTIP Amendment No. 3 into California's 2004/2005 Federal Statewide Transportation Improvement Program.
